SECTION 2. IC 36-8-6-9.7, AS ADDED BY P.L.118-2000, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 9.7. (a) This section applies to a member who died in the line of duty (as defined in section 10.1 of this chapter) before September 1, 1982.

(b) A payment shall be made to the surviving spouse of a deceased member in an amount fixed by ordinance, but at least an amount equal to thirty percent (30%) of the monthly pay of a first class patrolman per month during the surviving spouse's life if the spouse did not remarry before September 1, 1983. If the spouse remarried before September 1, 1983, and benefits ceased on the date of remarriage, the benefits for the surviving spouse shall be reinstated on July 1, 1997, and continue during the life of the surviving spouse.

(c) Except as otherwise provided in this subsection, a payment shall also be made to each child of a deceased member less than eighteen (18) years of age, in an amount fixed by ordinance, but at least an amount equal to twenty percent (20%) of the monthly pay of a first class patrolman per month to each child:

- (1) until the child becomes eighteen (18) years of age;
- (2) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university; or
- (3) during the entire period of the child's physical or mental disability;

whichever period is longer. However, the total of benefits under this

subsection added to the benefits under subsection (b) may not exceed the maximum benefits computed under section 9 of this chapter for pension payments to a member who retires from active service after twenty (20) years or more of active service. This maximum benefit is equal to fifty percent (50%) of the salary of a first class patrolman in the police department plus, for a member who retired before January 1, 1986, two percent (2%) of the first class patrolman's salary for each year of service of the retired member over twenty (20) years or, for a member who retires after December 31, 1985, plus one percent (1%) of the first class patrolman's salary for each six (6) months of service of the retired member over twenty (20) years. However, the maximum benefit may not exceed in any year an amount greater than seventy-four percent (74%) of the salary of a first class patrolman.

(d) If a deceased member leaves no surviving spouse and no child who qualifies for benefits under subsection (c) but does leave a dependent parent or parents, an amount equal to twenty percent (20%) of the monthly pay of a first class patrolman per month from the time of the member's death shall be paid to the dependent parent or parents during their dependency. When both parents survive, the total amount is still twenty percent (20%), to be paid to them jointly. In all cases of payment to a dependent relative of a deceased member, the board is the final judge of the question of necessity and dependency and of the amount to be paid. The board may also reduce or terminate temporarily or permanently a payment to a dependent relative of a deceased member when it determines that the condition of the fund or other circumstances make this action necessary.

(e) If the salary of a first class patrolman is increased or decreased, the pension payable under this section shall be proportionately increased or decreased. However, the monthly pension payable to a member or survivor may not be reduced below the amount of the first full monthly pension received by that person.

(f) The unit of local government that employed the deceased member shall after December 31, 2003, provide and pay for health insurance coverage for the member's surviving spouse and for each natural child, stepchild, or adopted child of the member:

- (1) until the child becomes eighteen (18) years of age;**
- (2) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university; or**
- (3) during the entire period of the child's physical or mental disability;**

 2 **by the unit to active members, the health insurance provided to a**

5 SECTION 3. IC 36-8-6-10.1, AS AMENDED BY P.L.185-2002,
 6 SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 7 JULY 1, 2003]: Sec. 10.1. (a) This section applies to a member who
 8 dies in the line of duty after August 31, 1982.

9 (b) The surviving spouse is entitled to a monthly benefit, during the
 10 spouse's lifetime, equal to the benefit to which the member would have
 11 been entitled on the date of the member's death, but no less than fifty
 12 percent (50%) of the monthly wage received by a first class patrolman.
 13 If the surviving spouse remarried before September 1, 1983, and
 14 benefits ceased on the date of remarriage, the benefits for the surviving
 15 spouse shall be reinstated on July 1, 1997, and continue during the life
 16 of the surviving spouse.

17 (c) A payment shall also be made to each child of a deceased
 18 member less than eighteen (18) years of age, in an amount fixed by
 19 ordinance, but at least an amount equal to twenty percent (20%) of the
 20 monthly pay of a first class patrolman per month to each child:

- 21 (1) until the child becomes eighteen (18) years of age;
- 22 (2) until the child becomes twenty-three (23) years of age if the
- 23 child is enrolled in and regularly attending a secondary school or
- 24 is a full-time student at an accredited college or university; or
- 25 (3) during the entire period of the child's physical or mental
- 26 disability;

27 whichever period is longer.

28 (d) The surviving children of the deceased member who are eligible
 29 to receive a benefit under subsection (c) may receive an additional
 30 benefit in an amount fixed by ordinance, but the total additional benefit
 31 under this subsection to all the member's children may not exceed a
 32 total of thirty percent (30%) of the monthly wage received by a first
 33 class patrolman. However, this limitation does not apply to the children
 34 of a member who are physically or mentally disabled.

35 (e) If a deceased member leaves no surviving spouse and no child
 36 who qualifies for benefits under subsection (c) but does leave a
 37 dependent parent or parents, an amount equal to twenty percent (20%)
 38 of the monthly pay of a first class patrolman per month from the time
 39 of the member's death shall be paid to the dependent parent or parents
 40 during their dependency. When both parents survive, the total amount
 41 is still twenty percent (20%), to be paid to them jointly. In all cases of
 42 payment to a dependent relative of a deceased member, the board is the

1 final judge of the question of necessity and dependency and of the
 2 amount to be paid. The board may also reduce or terminate temporarily
 3 or permanently a payment to a dependent relative of a deceased
 4 member when it determines that the condition of the fund or other
 5 circumstances make this action necessary.

6 (f) If the salary of a first class patrolman is increased or decreased,
 7 the pension payable under this section shall be proportionately
 8 increased or decreased. However, the monthly pension payable to a
 9 member or survivor may not be reduced below the amount of the first
 10 full monthly pension received by that person.

11 (g) For purposes of this section, "dies in the line of duty" means
 12 death that occurs as a direct result of personal injury or illness caused
 13 by incident, accident, or violence that results from any action that the
 14 member in the member's capacity as a police officer:

- 15 (1) is obligated or authorized by rule, regulation, condition of
- 16 employment or service, or law to perform; or
- 17 (2) performs in the course of controlling or reducing crime or
- 18 enforcing the criminal law.

19 The term includes a death presumed incurred in the line of duty under
 20 IC 5-10-13.

21 **(h) The unit of local government that employed the deceased**
 22 **member shall after December 31, 2003, provide and pay for health**
 23 **insurance coverage for the member's surviving spouse and for each**
 24 **natural child, stepchild, or adopted child of the member:**

- 25 **(1) until the child becomes eighteen (18) years of age;**
- 26 **(2) until the child becomes twenty-three (23) years of age if**
 27 **the child is enrolled in and regularly attending a secondary**
 28 **school or is a full-time student at an accredited college or**
 29 **university; or**
- 30 **(3) during the entire period of the child's physical or mental**
 31 **disability;**

32 **whichever period is longest. If health insurance coverage is offered**
 33 **by the unit to active members, the health insurance provided to a**
 34 **surviving spouse and child under this subsection must be equal in**
 35 **coverage to that offered to active members.**

36 SECTION 4. IC 36-8-7-12.3, AS ADDED BY P.L.118-2000,
 37 SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

- (1) a surviving spouse;
- (2) a child or children less than eighteen (18) years of age;
- (3) a child or children at least eighteen (18) years of age who are mentally or physically incapacitated; or
- (4) a child or children less than twenty-three (23) years of age who are:

- (A) enrolled in and regularly attending a secondary school; or

- (B) full-time students at an accredited college or university;

the local board shall authorize the payment to the surviving spouse and to the child or children of the amount from the fund as prescribed by this section. If the surviving spouse of a deceased member remarried before September 1, 1983, and pension benefits ceased on the date of remarriage, the benefits for the surviving spouse shall be reinstated on July 1, 1997, and continue during the life of the surviving spouse. If the pension of the surviving spouse of a deceased member has ceased by virtue of the spouse's remarriage, and if the person to whom the spouse has remarried was a retired member of the fire department who was also entitled to a pension, then upon the death of the member to whom the spouse had remarried, the spouse is entitled to receive a pension as the surviving spouse of a deceased member as though the spouse had not been remarried.

(c) If a deceased member of the fire department leaves no surviving spouse or children but leaves a dependent parent, and upon satisfactory proof that the parent was wholly dependent upon the deceased member, the local board shall authorize the monthly payment to the parent from the 1937 fund that is prescribed by this section.

(d) If a member dies while in active service:

- (1) the surviving spouse is entitled to receive an amount fixed by ordinance but not less than thirty percent (30%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension;

- (2) the member's children who are:

percent (30%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension.

If the local board finds upon the submission of satisfactory proof that a child eighteen (18) years of age or older is mentally or physically incapacitated, is not a ward of the state, and is not receiving a benefit under subdivision (2)(B), the child is entitled to receive the same amount as is paid to the surviving spouse of a deceased firefighter as long as the mental or physical incapacity continues. A sum paid for the benefit of a child or children shall be paid to the remaining parent, if alive, as long as the child or children reside with and are supported by the parent. If the parent dies, the sum shall be paid to the lawful guardian of the child or children.

(e) The monthly pension payable to a survivor may not be reduced below the amount of the first full monthly pension received by that person.

(f) A benefit payable under this section shall be paid in not less than twelve (12) monthly installments.

(g) The unit of local government that employed the deceased member shall after December 31, 2003, provide and pay for health insurance coverage for the member's surviving spouse and for each natural child, stepchild, or adopted child of the member:

- (1) until the child becomes eighteen (18) years of age;**
- (2) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university; or**
- (3) during the entire period of the child's physical or mental disability;**

whichever period is longest. If health insurance coverage is offered by the unit to active members, the health insurance provided to a surviving spouse and child under this subsection must be equal in coverage to that offered to active members.

SECTION 5. IC 36-8-7-12.4, AS AMENDED BY P.L.185-2002, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 12.4. (a) This section applies to an active member who dies in the line of duty after August 31, 1982.

(b) If a member dies in the line of duty after August 31, 1982, the surviving spouse is entitled to a monthly benefit, during the spouse's lifetime, equal to the benefit to which the member would have been entitled on the date of the member's death, but not less than fifty percent (50%) of the monthly wage received by a fully paid first class firefighter. If the spouse remarried before September 1, 1983, and

benefits ceased on the date of remarriage, the benefits for the surviving spouse shall be reinstated on July 1, 1997, and continue during the life of the surviving spouse. If the pension of the surviving spouse of a deceased member has ceased by virtue of the spouse's remarriage, and if the person to whom the spouse has remarried was a retired member of the fire department who was also entitled to a pension, then upon the death of the member to whom the spouse had remarried, the spouse is entitled to receive a pension as the surviving spouse of a deceased member as though the spouse had not been remarried.

(c) If a member dies while in active service, the member's children who are:

- (1) less than eighteen (18) years of age; or
- (2) less than twenty-three (23) years of age if the children are enrolled in and regularly attending a secondary school or are full-time students at an accredited college or university;

are each entitled to receive an amount fixed by ordinance but not less than twenty percent (20%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension.

(d) The surviving children of the deceased member who are eligible to receive a benefit under subsection (c) may receive an additional benefit in an amount fixed by ordinance, but the total additional benefit under this subsection to all the member's children may not exceed a total of thirty percent (30%) of the monthly wage received by a first class firefighter. However, this limitation does not apply to the children of a member who are physically or mentally disabled.

(e) If a deceased member of the fire department leaves no surviving spouse or children but leaves a dependent parent, and upon satisfactory proof that the parent was wholly dependent upon the deceased member, the local board shall authorize the monthly payment to the parent from the 1937 fund. Each parent of a deceased member who was eligible for a pension under this subsection is entitled to receive jointly an amount equal to thirty percent (30%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension.

(f) For purposes of this section, "dies in the line of duty" means death that occurs as a direct result of personal injury or illness caused by incident, accident, or violence that results from any action that the member, in the member's capacity as a firefighter:

- (1) is obligated or authorized by rule, regulation, condition of employment or service, or law to perform; or
- (2) performs while on the scene of an emergency run (including false alarms) or on the way to or from the scene.

The term includes a death presumed incurred in the line of duty under

1 IC 5-10-13.

2 (g) If the local board finds upon the submission of satisfactory proof
3 that a child eighteen (18) years of age or older is mentally or physically
4 incapacitated, is not a ward of the state, and is not receiving a benefit
5 under subsection (c)(2), the child is entitled to receive the same amount
6 as is paid to the surviving spouse of a deceased firefighter, as long as
7 the mental or physical incapacity continues. A sum paid for the benefit
8 of a child or children shall be paid to the remaining parent, if alive, as
9 long as the child or children reside with and are supported by the
10 parent. If the parent dies, the sum shall be paid to the lawful guardian
11 of the child or children.

12 (h) The monthly pension payable to a survivor may not be reduced
13 below the amount of the first full monthly pension received by that
14 person.

15 (i) A benefit payable under this section shall be paid in not less than
16 twelve (12) monthly installments.

17 **(j) The unit of local government that employed the deceased**
18 **member shall after December 31, 2003, provide and pay for health**
19 **insurance coverage for the member's surviving spouse and for each**
20 **natural child, stepchild, or adopted child of the member:**

21 **(1) until the child becomes eighteen (18) years of age;**

22 **(2) until the child becomes twenty-three (23) years of age if**
23 **the child is enrolled in and regularly attending a secondary**
24 **school or is a full-time student at an accredited college or**
25 **university; or**

26 **(3) during the entire period of the child's physical or mental**
27 **disability;**

28 **whichever period is longest. If health insurance coverage is offered**

32 SECTION 6. IC 36-8-7.5-13.7, AS AMENDED BY P.L.1-2001,
33 SECTION 45, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
34 JULY 1, 2003]: Sec. 13.7. (a) This section applies to a member who
35 died in the line of duty (as defined in section 14.1 of this chapter)
36 before September 1, 1982.

37 (b) The 1953 fund shall be used to pay an annuity, computed under
38 subsection (g) and payable in monthly installments, to the surviving
39 spouse of a member. The annuity continues during the life of the
40 surviving spouse unless the spouse remarried before September 1,
41 1983. If the spouse remarried before September 1, 1983, benefits
42 ceased on the date of remarriage. If a member of the fund died, but not

in the line of duty, and the member's surviving spouse remarried before September 1, 1983, the benefits of the surviving spouse shall be reinstated on July 1, 1997, and continue during the life of the surviving spouse.

(c) The 1953 fund shall also be used to pay an annuity equal to twenty percent (20%) of the salary of a first class patrolman on the police department, computed as provided in section 12(b) of this chapter and payable in monthly installments, to each dependent child of a member of the fund who dies from any cause while in the actual discharge of duties as a police officer. The pension to each child continues:

- (1) until the child becomes eighteen (18) years of age;
- (2) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university; or
- (3) during the entire period of the child's physical or mental disability;

whichever period is longest. However, the pension to the child ceases if the child marries or is legally adopted by any person.

(d) If a deceased member leaves no surviving spouse and no child who qualifies for a benefit under subsection (c) but does leave a dependent parent or parents, the 1953 fund shall be used to pay an annuity not greater than a sum equal to twenty percent (20%) of the salary of a first class patrolman on the police department, computed and payable as provided in section 12(b) of this chapter, payable monthly to the dependent parent or parents of a member of the police department. The annuity continues for the remainder of the life or lives of the parent or parents as long as either or both fail to have sufficient other income for their proper care, maintenance, and support.

(e) In all cases of payment to a dependent relative of a deceased member, the local board is the final judge of the question of necessity and dependency and of the amount within the stated limits to be paid. The local board may also reduce or terminate temporarily or permanently a payment to a dependent relative of a deceased member when it determines that the condition of the 1953 fund or other circumstances make this action necessary.

(f) If the salary of a first class patrolman is increased or decreased, the pension payable under this section shall be proportionately increased or decreased. However, the monthly pension payable to a member or survivor may not be reduced below the amount of the first full monthly pension received by that person.

(g) The annuity payable under subsection (b) equals thirty percent

(30%) of the salary of a first class patrolman. The amount provided in this subsection is subject to adjustment as provided in subsection (f).

(h) The unit of local government that employed the deceased member shall after December 31, 2003, provide and pay for health insurance coverage for the member's surviving spouse and for each natural child, stepchild, or adopted child of the member:

(1) until the child becomes eighteen (18) years of age;

(2) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university; or

(3) during the entire period of the child's physical or mental disability;

whichever period is longest. If health insurance coverage is offered by the unit to active members, the health insurance provided to a surviving spouse and child under this subsection must be equal in coverage to that offered to active members.

SECTION 7. IC 36-8-7.5-14.1, AS AMENDED BY P.L.185-2002, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 14.1. (a) This section applies to an active member who dies in the line of duty after August 31, 1982.

(b) If a member dies in the line of duty after August 31, 1982, the surviving spouse is entitled to a monthly benefit, during the spouse's lifetime, equal to the benefit to which the member would have been entitled on the date of the member's death, but not less than fifty percent (50%) of the monthly wage received by a first class patrolman. If the spouse remarried before September 1, 1983, benefits ceased on the date of remarriage. However, if a member of the police department dies in the line of duty after August 31, 1982, and the member's surviving spouse remarried before September 1, 1983, the benefits for the surviving spouse shall be reinstated on July 1, 1995, and continue during the life of the surviving spouse.

(c) The 1953 fund shall also be used to pay an annuity equal to twenty percent (20%) of the salary of a first class patrolman on the police department, computed as provided in section 12(b) of this chapter and payable in monthly installments, to each dependent child of a member of the fund who dies from any cause while in the actual discharge of duties as a police officer. The pension to each child continues:

(1) until the child becomes eighteen (18) years of age;

(2) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or

1 is a full-time student at an accredited college or university; or
 2 (3) during the entire period of the child's physical or mental
 3 disability;

4 whichever period is longest. However, the pension to the child ceases
 5 if the child marries or is legally adopted by any person.

6 (d) The surviving children of the deceased member who are eligible
 7 to receive a benefit under subsection (c) may receive an additional
 8 benefit in an amount fixed by ordinance, but the total benefit to all the
 9 member's children under this subsection may not exceed a total of
 10 thirty percent (30%) of the monthly wage received by a first class
 11 patrolman. However, this limitation does not apply to the children of
 12 a member who are physically or mentally disabled.

13 (e) If a deceased member leaves no surviving spouse and no child
 14 who qualifies for a benefit under subsection (c) but does leave a
 15 dependent parent or parents, the 1953 fund shall be used to pay an
 16 annuity not greater than a sum equal to twenty percent (20%) of the
 17 salary of a first class patrolman on the police department, computed
 18 and payable as provided in section 12(b) of this chapter, payable
 19 monthly to the dependent parent or parents of a member of the police
 20 department who dies from any cause while in the actual discharge of
 21 duties as a police officer. The annuity continues for the remainder of
 22 the life or lives of the parent or parents as long as either or both fail to
 23 have sufficient other income for their proper care, maintenance, and
 24 support.

25 (f) In all cases of payment to a dependent relative of a deceased
 26 member, the local board is the final judge of the question of necessity
 27 and dependency and of the amount within the stated limits to be paid.
 28 The local board may also reduce or terminate temporarily or
 29 permanently a payment to a dependent relative of a deceased member
 30 when it determines that the condition of the 1953 fund or other
 31 circumstances make this action necessary.

32 (g) If the salary of a first class patrolman is increased or decreased,
 33 the pension payable under this section shall be proportionately
 34 increased or decreased. However, the monthly pension payable to a
 35 member or survivor may not be reduced below the amount of the first
 36 full monthly pension received by that person.

37 (h) For purposes of this section, "dies in the line of duty" means
 38 death that occurs as a direct result of personal injury or illness caused
 39 by incident, accident, or violence that results from any action that the
 40 member, in the member's capacity as a police officer:

41 (1) is obligated or authorized by rule, regulation, condition of
 42 employment or service, or law to perform; or

(2) performs in the course of controlling or reducing crime or enforcing the criminal law.

The term includes a death presumed incurred in the line of duty under IC 5-10-13.

(i) The unit of local government that employed the deceased member shall after December 31, 2003, provide and pay for health insurance coverage for the member's surviving spouse and for each natural child, stepchild, or adopted child of the member:

(1) until the child becomes eighteen (18) years of age;

(2) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university; or

(3) during the entire period of the child's physical or mental disability;

whichever period is longest. If health insurance coverage is offered by the unit to active members, the health insurance provided to a surviving spouse and child under this subsection must be equal in coverage to that offered to active members.

SECTION 8. IC 36-8-8-13.9, AS ADDED BY P.L.118-2000, SECTION 27, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 13.9. (a) This section applies to an active member who died in the line of duty (as defined in section 14.1 of this chapter) before September 1, 1982.

(b) Except as otherwise provided in this subsection, if a fund member dies in the line of duty, the following apply:

(1) Each of the member's surviving children is entitled to a monthly benefit equal to twenty percent (20%) of the fund member's monthly benefit:

(A) until the child becomes eighteen (18) years of age; or

(B) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university;

whichever period is longer. However, if the board finds upon the submission of satisfactory proof that a child who is at least eighteen (18) years of age is mentally or physically incapacitated, is not a ward of the state, and is not receiving a benefit under clause (B), the child is entitled to receive an amount each month that is equal to the greater of thirty percent (30%) of the monthly pay of a first class patrolman or first class firefighter or fifty-five percent (55%) of the monthly benefit the deceased member was

receiving or was entitled to receive on the date of the member's death as long as the mental or physical incapacity of the child continues. Benefits paid for a child shall be paid to the surviving parent as long as the child resides with and is supported by the surviving parent. If the surviving parent dies, the benefits shall be paid to the legal guardian of the child.

(2) The member's surviving spouse is entitled to a monthly benefit equal to sixty percent (60%) of the fund member's monthly benefit during the spouse's lifetime. If the spouse remarried before September 1, 1983, and benefits ceased on the date of remarriage, the benefits for the surviving spouse shall be reinstated on July 1, 1997, and continue during the life of the surviving spouse.

If there is no surviving eligible child or spouse, and there is proof satisfactory to the local board, subject to review in the manner specified in section 13.1(b) of this chapter, that the parent was wholly dependent on the fund member, the member's surviving parent is entitled, or both surviving parents if qualified are entitled jointly, to receive fifty percent (50%) of the fund member's monthly benefit during the parent's or parents' lifetime.

(c) If the fund member did not have at least twenty (20) years of service or was not at least fifty-two (52) years of age, the benefit under subsection (b) is computed as if the member:

- (1) did have twenty (20) years of service; and
- (2) was fifty-two (52) years of age.

(d) The unit of local government that employed the deceased member shall after December 31, 2003, provide and pay for health insurance coverage for the member's surviving spouse and for each natural child, stepchild, or adopted child of the member:

- (1) until the child becomes eighteen (18) years of age;**
- (2) until the child becomes twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university; or**
- (3) during the entire period of the child's physical or mental disability;**

whichever period is longest. If health insurance coverage is offered by the unit to active members, the health insurance provided to a surviving spouse and child under this subsection must be equal in coverage to that offered to active members.

SECTION 9. IC 36-8-8-14.1, AS AMENDED BY P.L.185-2002, SECTION 12, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 14.1. (a) Benefits paid under this section are

1 subject to section 2.5 of this chapter.

2 (b) This section applies to an active member who dies in the line of
3 duty after August 31, 1982.

4 (c) If a fund member dies in the line of duty after August 31, 1982,
5 the member's surviving spouse is entitled to a monthly benefit during
6 the spouse's lifetime, equal to the benefit to which the member would
7 have been entitled on the date of the member's death, but not less than
8 the benefit payable to a member with twenty (20) years service at
9 fifty-two (52) years of age. If the spouse remarried before September
10 1, 1983, and benefits ceased on the date of remarriage, the benefits for
11 the surviving spouse shall be reinstated on July 1, 1997, and continue
12 during the life of the surviving spouse.

13 (d) If a fund member dies in the line of duty, each of the member's
14 surviving children is entitled to a monthly benefit equal to twenty
15 percent (20%) of the fund member's monthly benefit:

16 (1) until the child reaches eighteen (18) years of age; or

17 (2) until the child reaches twenty-three (23) years of age if the
18 child is enrolled in and regularly attending a secondary school or
19 is a full-time student at an accredited college or university;

20 whichever period is longer. However, if the board finds upon the
21 submission of satisfactory proof that a child who is at least eighteen
22 (18) years of age is mentally or physically incapacitated, is not a ward
23 of the state, and is not receiving a benefit under subdivision (2), the
24 child is entitled to receive an amount each month that is equal to the
25 greater of thirty percent (30%) of the monthly pay of a first class
26 patrolman or first class firefighter or fifty-five percent (55%) of the
27 monthly benefit the deceased member was receiving or was entitled to
28 receive on the date of the member's death as long as the mental or
29 physical incapacity of the child continues. Benefits paid for a child
30 shall be paid to the surviving parent as long as the child resides with
31 and is supported by the surviving parent. If the surviving parent dies,
32 the benefits shall be paid to the legal guardian of the child.

33 (e) If there is no surviving eligible child or spouse, and there is
34 proof satisfactory to the local board, subject to review in the manner
35 specified in section 13.1(b) of this chapter, that the parent was wholly
36 dependent on the fund member, the member's surviving parent is
37 entitled, or both surviving parents if qualified are entitled jointly, to
38 receive fifty percent (50%) of the fund member's monthly benefit
39 during the parent's or parents' lifetime.

40 (f) If the fund member did not have at least twenty (20) years of
41 service or was not at least fifty-two (52) years old, the benefit is
42 computed as if the member:

(1) did have twenty (20) years of service; and

(2) was fifty-two (52) years of age.

(g) For purposes of this section, "dies in the line of duty" means death that occurs as a direct result of personal injury or illness caused by incident, accident, or violence that results from:

(1) any action that the member, in the member's capacity as a police officer:

(A) is obligated or authorized by rule, regulation, condition of employment or service, or law to perform; or

(B) performs in the course of controlling or reducing crime or enforcing the criminal law; or

(2) any action that the member, in the member's capacity as a firefighter:

(A) is obligated or authorized by rule, regulation, condition of employment or service, or law to perform; or

(B) performs while on the scene of an emergency run (including false alarms) or on the way to or from the scene.

The term includes a death presumed incurred in the line of duty under IC 5-10-13.

(h) The unit of local government that employed the deceased member shall after December 31, 2003, provide and pay for health insurance coverage for the member's surviving spouse and for each natural child, stepchild, or adopted child of the member:

(3) during the entire period of the child's physical or mental disability;

whichever period is longest. If health insurance coverage is offered by the unit to active members, the health insurance provided to a surviving spouse and child under this subsection must be equal in coverage to that offered to active members.
